

**Board of Fire Commissioners  
Tinton Falls Fire District #1  
2 Volunteer Way  
Tinton Falls, New Jersey 07753**

**Workshop Meeting on November 23, 2010**

The meeting of the Board of Fire Commissioners was called to order by President MacPherson at 7:30PM.

President MacPherson advised the Board that all requirements of the Open Public Meeting Laws have been met.

Roll Call: MacPherson-Present, Wiczerzak-Present (Via Teleconference), Corson-Present, Truex-Present and Hawkins-Present.

*Presentation by Deputy Chief Chervinsky – Rescue 36-2-86 Replacement*

Deputy Chief Chervinsky presented the Board with a presentation proposing a replacement for Rescue 36-2-86. The Chief highlight a few points:

- \*Current Rescue Truck is (20) years old and is on a commercial chassis
- \*Chief reviewed downside of a commercial chassis, especially with aged construction
- \*Current rescue is underpowered, overweight and has been outgrown operationally
- \*Chief reviewed the historical operation of the truck and the district's operation at vehicle extrication and rescue calls

Deputy Chief Chervinsky informed the Board that the Truck Committee who developed the replacement plan has meet with several manufacturers and has worked up a specification based for the new truck which was reviewed by Board members.

Commissioner Corson recommended to the Board that a special capital meeting be set-up to obtain voter approval for a capital expenditure. More discussion on this topic will be continued during new business at the regular meeting.

The workshop meeting of the Board of Fire Commissioners ended at 7:59PM; Regular Meeting to commence at 8:00PM

Respectfully Submitted:

  
Thomas R. Wiczerzak, Secretary
