

BOARD OF FIRE COMMISSIONERS
Tinton Falls Fire District #1
2 Volunteer Way
Tinton Falls, NJ 07753

Minutes of Workshop Meeting of June 15, 2015

The meeting of the Board of Fire Commissioners was called to order by President Donohue at 7:00PM.

President Donohue advised the Board that all requirements of the Open Public Meeting Laws have been met.

Roll call: Donohue-present; Hawkins-present; Bowles-present; Calvo - present Chervinsky-absent; and Richard Braslow, Esq.-absent.

Business

- Discussed and approved the bill for the Harry Carter research study.
- Minutes of May 2015 approved. Motion by Commissioner Hawkins, second by Commissioner Calvo
- Approval was granted by the Board for five (5) members of Tinton Falls Fire District #1 to attend the 2015 Fire Convention in Baltimore, MD. It was agreed that the District would pay up to \$71 per day for meal allowance, 4 day maximum, with 2 members per hotel room.

Chief's Report – Wayside - Chief Boub

- Questions were presented pertaining to surplus of flashlights and pass alarms. Advised the Chief the Board will discuss with District Attorney.
- Wanamassa Fire Department inquired about the use of Wayside's maze for bailout drills. The Chief was advised the Board will need a written description of the exercise and a copy of the liability insurance declaration sheet, showing Wayside and the Fire District as additional insureds.
- The compressor arrived at Wayside. Commissioner Bowles asked for the bill for shipping. Chief Boub is to provide same.
- 36-2-67 and 88 are getting older and need to be replaced. Discussion of the purchase of a pickup truck for Wayside Fire Company. The Board will research the purchase for such vehicle.
- One small air bag was damaged and out of service. Request for replacement.
- Netting for pre-connect on high rise packs for 36-2-75 were requested. Estimates will be researched and provided to the Board.
