Tinton Falls Fire District #1
2 Volunteer Way
Tinton Falls, NJ 07753

Minutes of Special Meeting September 3, 2015

The meeting of the Board of Fire Commissioners Special Meeting was called to order by President Donohue at 5:00PM.

District Attorney Richard Braslow advised the Board that all requirements of the Open Public Meeting Laws have been met.

Roll call: Donohue-present; Hawkins-present; Bowles-present; Calvo-present; Chervinsky-present; and Richard Braslow, Esq.-present.

The Special Meeting was called to discuss the district audit as presented by Harry Carter. As it pertains to the writing of the report, there were marked grammatical errors, which will be highlighted by Commissioner Calvo and provided to the author of the report for correction and resubmission to the Board.

The Tinton Falls Fire Marshal suggested that the Districts operating guidelines be reviewed and updated, specifically rules and regulations.

Discussion was had about paid fire fighters. Various options were discussed, such as the model used in Neptune. Another option was to utilize the services of a paid crew from another town and share costs. It was realized that this is a topic that is premature, as there are many variables to consider before the drafting of a proposed plan of action.

We discussed the purchase of the Fort Monmouth Fire Company building located in the Charles Wood Area. The purpose would be to house Pinebrook.

Motion was made to adjourn the meeting at 5:45 by Commissioner Hawkins, second by Commissioner Calvo.
