OLD BUSINESS

Repairs to HVAC ductwork and new ice machine- Administrative Assistant Palma stated that All Seasons Service was in to begin the work but needed to have a few more people to the crew. They did repair a small hole in a pipe in the ceiling which was cause of some of the water damage. Ice machine is on back order from the manufacturer.

Powerwashing of Building – Commissioner Costa obtained two quotes for the cleaning of the exterior of the building. All Clean – \$2800; All About Affordable Powerwashing - \$2500. Motion made by Commissioner Bowles to award the job to All About Affordable Powerwashing for \$2,500, seconded by Commissioner Chevinsky, all in favor.

Disposal of Engine 36-2-75 – Discussion held on disposal of engine - Long Branch Chief very interested in acquiring the piece. Commissioner Costa state that the County would like to see it as a working piece. Fire Chief Williams stated it does need some work and may be a good reserve piece of equipment to keep at Station #3. Would keep uniformity and standardization of the apparatus in the District. Table discussion to the next meeting.

ADP Account – new payroll account has been finalized.

Credit Card – Commissioner Costa stated progress on obtaining a credit card for “government” services. There are special procedures and well as checks and balances.

NEW BUSINESS

Mr. Braslow discussed a conference call he was on with the Governor’s staff in reference to federal monies for COVID response. He questioned why the monies were disbursed to municipalities only and when fire districts have requested monies from the municipalities, they were not able to get any. The discussion of the ability of fire districts to get access to funds for COVID-related expenses is not over, and he will be pushing this subject during further meetings.

Disposal of Obsolete Fire Equipment from Station 3 – The Commissioners were presented with a list of obsolete equipment from Station #3 that is no longer needed. Attorney Braslow will draw up the resolution to note same. Motion made by Commissioner Hawkins to dispose of the obsolete equipment noted on the list provided, seconded by Commissioner Chervinsky, all in favor.

Hose to Station #1 – Station 1 was looking for hose to replace some that has failed hose testing. There is some available 5” rubber hose available. Motion made by Commissioner Bowles, seconded by Commissioner Hawkins to give 500 feet of 5” hose to Station #1, all in favor.

Fire Prevention Week – Commissioner Costa reminded everyone that Fire Prevention Week is October 3 through October 9. District #1 is responsible for expenses this year which includes t-shirts which are estimated to be \$615. Motion made by Commissioner Bowles, seconded by Commissioner Hawkins to approve purchase of t-shirts for Fire Prevention Week, all in favor.

Training – Request was submitted for Mike Scott to attend Fire Inspector Course at Middlesex Fire Academy for the cost of \$262.00. Motion made by Commissioner Hawkins, seconded by Commissioner Chervinsky to approve payment of the course, all in favor.
