ATTORNEY REPORT – Mr. Braslow reminded the Board that November 8, 2022 is election day and the petition deadline for persons running for Fire Commissioner is July 25, 2022 at 4 pm. Petitions are available through the Monmouth County Clerk.

CHIEF’S REPORT – will be reviewed at Regular Meeting.

DEPUTY CHIEF’S REPORT – No report submitted

NEW BUSINESS – Andrew Calvo discussed the quotes for upgrades to the OpenPath system. ADT provided the original installation. BSS recently installed OpenPath in Ocean Township for an excellent price. The quote was to add additional doors to Wayside Fire Company and cameras at exit doors. Pine Brook would add video readers. The camera system could be cloud-based or have equipment on site. Cloud-based is one flat fee with recording in cloud; equipment on location is one-time fee. Video cameras would consolidate with door system so the door and camera would work together.

Discussion followed on camera system. The OpenPath records on motion-only. An on-premises system keeps video for 30 days while cloud-based is 30 days, but you can buy extended time. Commissioners will review quotes.

OLD BUSINESS – 36-2-75 should be going to its new home at the Monmouth County Fire Academy early next week.

Air Power Int'l will be picking up the bottles from the cascade system for hydrostatic testing.

Commissioner Chervinsky read the bills. Payment approval will be voted upon at Regular Meeting.

LEGISLATIVE UPDATE – Attorney Braslow gave an update on Assembly Bill 3818 which designates dates for special fire district elections, and only four dates were given. The State feels standardized dates equal better voter turnout; however, the numbers speak for themselves. A missed deadline can cost more money on a capital project purchase. Attorney Braslow had spoken to a few people in reference to the Assembly Bill. It had already been to three committees, but he is under the impression that the Bill has been held since the last meeting. He will keep the Board advised on any movement of this Assembly Bill.

ADJOURNMENT- Motion to adjourn the Workshop Meeting was made by Commissioner Chervinsky and seconded by Commissioner Matthews. All in favor. Meeting was adjourned at 7:24 pm.
